

# Innovation and high tech for sport-rifles is our job

You want to take responsibility?  
You are committed and you are curious  
and awake?

You want design the future of your new  
job and want to be a part of our success?

We invite you to work with modern 5-Axis-CNC  
miling centers, to work with CAD-Systems, to  
develop new products.

We are looking forward to your application.
